TECHNICAL EXPERIENCE

Developer | Deloitte USI | Hyderabad, Telangana

OCT 2023 – DEC 2024

- Worked on various modules of ServiceNow, including HR Service Delivery (HRSD), Workspace Service Delivery (WSD), and the ServiceNow Platform.
- Worked on multiple facets of these modules, including designing and overseeing the complete offboarding process, with 3 different workflows for the client in ServiceNow.
- Additionally, I developed the full mobile interface for Workplace Service Delivery using the ServiceNow mobile development tool.

SDE Intern | Viga Entertainment Technology Pvt. Ltd. | Bengaluru, Karnataka

FEB 2022 – SEPT 2022

- Created a marketplace-listed Live-Link plugin for seamless Unreal and Blender integration. Rated 3.8 out of 5 on Unreal Marketplace with 17 forks and 68 stars on the company's github repository.
- Also worked on face motion capture plugin in Unreal Engine.
- Created 5-6 plugins to connect Adobe products like Photoshop, Illustrator, etc., and Blender and Maya with the company's website, 'MovieColab,' for real-time project collaboration.

Full Stack Web Developer | Freelancing

- Designed, developed and deployed a fully responsive website for 'Computer Geeks in Town,' utilizing HTML, CSS, JavaScript, and React.
- Created and published 2 Chrome extensions for the company, 'SpyViral.'
- Using the Chrome API and Firebase database, created a secure extension to switch between multiple accounts on websites like 4Based and BestFans.
