PROFILE SUMMARY

Detail-oriented MERN Full Stack Developer with expertise in building dynamic, scalable web applications. Skilled in MongoDB, Express, React, and Node.js, with a focus on responsive interfaces, RESTful APIs, and robust back-end architectures. Passionate about delivering innovative, user-centric solutions and seamless user experiences.

PROFESSIONAL EXPERIENCE

- Brancosoft Pvt. Ltd** **SEP 2023 - PRESENT**
Full Stack Developer
 - Developed high-performance back-ends with secure RESTful APIs in Node.js, improving integration with third-party services for smoother user interactions.
 - Built scalable, server-side solutions to enhance performance and reliability across applications.
 - Contributed to front-end development, converting design mockups into responsive, interactive interfaces using React.js.
- DRPU Software Pvt. Ltd** **MAR 2023 - AUG 2023**
Frontend Developer
 - Developed responsive web interfaces with HTML, CSS, and JavaScript, enhancing user experience across devices.
 - Collaborated with design teams to implement visually appealing and functional layouts, applying HTML for structure, CSS for styling, and JavaScript for dynamic interactivity.
 - Employed front-end best practices, ensuring optimized code for consistent design.

TECHNICAL SKILLS

- Languages:** JavaScript, Typescript
- Front-End:** HTML, CSS, JavaScript, React, Bootstrap, jQuery, Redux, Tailwind, Material UI, SASS
- Back-End:** Node.js, Express.js, RESTful APIs
- Databases:** MongoDB, Mongoose, MySQL
- Tools & Version Control:** Git, GitHub, Postman, MS Word, MS Excel
- Frameworks & Libraries:** Bootstrap, Tailwind, Material UI
- Additional Skills:** Object-Oriented Programming (OOP), RESTful Architecture, Data Structures, and Algorithms

PROJECTS

- Portfolio Website**
 - Technologies:** MongoDB, Express, React, Node.js
 - Built a personal portfolio that showcases skills, projects, and experience through intuitive navigation and a responsive design. Optimized for performance, the site features quick load times and accessibility across all devices. visit link - <https://bablukumar.onrender.com>
- Veavix Website**
 - Technologies:** MongoDB, Express, React, Node.js
 - Developed a professional website for Veavix, showcasing the company's web, app, and graphic development services. Implemented a user-friendly, responsive design with fast loading times, enhancing Veavix's online presence. Visit Veavix. <https://veavix.onrender.com>
- ShopKart (E-commerce | MERN Stack)**
 - Technologies:** MongoDB, Express, React, Node.js, Redux, Material UI
 - Developed a fully functional e-commerce web application with features such as cart management, payment integration, product filtering, search functionality, and an admin panel dashboard. The project ensures a seamless user experience with a modern, responsive design. visit link <https://shopkart-epla.onrender.com>
- MERN-WebApp (IT Services Platform)**
 - Technologies:** React.js, Node.js, Express.js, MongoDB, JWT.
 - Built a dynamic MERN stack web application showcasing IT services with features like a contact form, user authentication (login, logout, signup), and admin panel functionalities. visit link <https://mern-webapp-6w6k.onrender.com>

EDUCATION

- Master of Computer Application (MCA)
 - AKTU University
 - 2021 - 2023
 -
 - Bachelor of Computer Application (BCA)
 - CCS University
 - 2018 - 2021
-

STRENGTHS

- Self-discipline
 - Strong collaboration skills
 - Effective communication
 - Attentive listening
 - Time management
 - Innovative problem-solving
-

INTERESTS

- Exploring new technologies
 - Traveling
 - Listening to music
-

LANGUAGES

- English: Fluent
- Hindi: Fluent
