A Ahmedabad, 380015   **P** +91 8140 286 421   **E** pallavichavda482@gmail.com

PROFESSIONAL SUMMARY

A skilled Node.js developer with 3 years of experience, proficient in working with popular frameworks like Express.js, Nest.js to develop and maintain robust applications. Possesses expertise in database development, writing complex SQL queries, and performance tuning. Demonstrates in-depth knowledge of creating APIs and conducting testing. Also familiar with AWS and Azure.

EXPERIENCE

Full Stack Developer | Aug 2023 – Present
Bytes Technolab, Ahmedabad

Skills: ReactJS, Node.js, Next.js, Nest.js, Tailwind CSS, Git, Redis, MongoDB, MySQL, Azure, AWS S3, docker

ReactJS:

- Developed responsive web applications using ReactJS with Next.js, ensuring seamless user experiences.
- Collaborated with design and product teams to translate mockups into functional components.
- Integrated RESTful APIs and GraphQL endpoints for efficient data retrieval and manipulation.
- Troubleshooted technical issues and contributed to continuous process improvement.

Node.js:

- Designed and implemented RESTful APIs using Nest.js, ensuring scalability and maintainability.
- Collaborated with front-end teams to consume APIs and develop interactive user interfaces.

SKILL SET

DATABASE
 MySQL
 MongoDB
 SQLite
 PostgreSQL

CLOUD
 AWS
 Azure

EDUCATION

Bachelor in Information Technology, 2021
[Bhavnagar University]

Master in Computer Application, 2023
[Bhavnagar University]

Languages
 JavaScript
 TypeScript

- Mentored junior developers and provided technical guidance to ensure project success.
- Proficient in version control with Git and deployment with Heroku.
- Developed custom middleware for API validation and authentication, enhancing security and performance.
- Designed and implemented data storage solutions using various databases, including MySQL, and MongoDB.

Senior NodeJS Developer| Jan 2023 – Jun 2023
Sidhwani Technologies, Bhavnagar
Skills: NodeJS, ExpressJS, PostgreSQL, SQLite, MySQL, Swagger
         Git, Heroku, Typescript

- Designed and implemented Node/Express.JS **REST APIs** using Postman.
- Collaborated with the front-end team to develop responsive and interactive user interfaces using React and Angular.
- **Mentored junior developers** and provided technical guidance to ensure the successful delivery of projects.
- Knowledge of **Git** or similar **version control** systems is essential for tracking code changes and collaborating with others.
- Designed and implemented custom middleware for Node.js APIs to validate incoming data, an object schema description language and validator for JavaScript.
- Proficient in designing and implementing data storage solutions using **MySQL, PostgreSQL, SQLite, MongoDB** popular databases.
- Developed an intuitive **project management tool** to facilitate efficient organization-wide collaboration and task management.
- Built a software solution to streamline **subsea** operations and data management.

NodeJS Developer | Dec 2021 – Dec 2022
Growsoft Infosolution, Bhavnagar
Skills: NodeJS, ExpressJS, PHP, MySQL, Swagger
         Git, Heroku

- Implemented **AGILE** development methodology and provided estimates, daily & weekly status reports to the client on the progress of the tasks.
- Created HTTP handlers to convert SEO URL into relative path and routed to the requested web page.

- Proficient in using ExpressJS popular Node.js frameworks to build high-performance and scalable web applications.
- Designed in Object-Oriented Analysis and Design (OOAD) programming and MVC patterns.
- Proficient in designing and implementing data storage solutions using MySQL popular databases.
- Worked with data authentication using **Passport.js** and **JWT.**
- Created robust applications of **hotel booking** applications and created **APIs**.
