SUMMARY

Results-driven Backend Developer with expertise in building robust and scalable server-side applications. Skilled in designing and optimizing APIs, database management, and implementing solutions to enhance performance and reliability. Detail-oriented and a collaborative team player with a focus on solving complex backend challenges.

SKILLS

Programming Language	JavaScript
Runtime Environment	NodeJS
Frameworks/Tools	ExpressJS, GraphQL, Retool
Cloud Platforms	Google Cloud Platform (GCP)
Databases	Postgres, Redis
Platform Services and Orchestration	Google Pub/Sub, Kubernetes, Docker, Cloud Tasks, Cloud Schedulers

EXPERIENCE

Software Development Engineer 1 - Backend June 2022 - Present

Apnaklub

Remote

B2B e-commerce company with a revenue of 700 Cr. It deals in non-perishable FMCG goods for tier-2 and tier-3 cities in India.

- Designed and implemented backend systems for product variant creation based on warehouse and cohort rules, enabling automated generation of product variants and reducing manual interventions.
- Automated backend workflows for dynamic variant generation when inventory levels fall below the minimum slab, reducing stockouts and inventory waste by 10%.
- Built a backend console API for managing delivery persons, creating trips, assigning orders, and performing reconciliations, improving logistics efficiency by 40%.
- Developed a backend system for a delivery application, allowing field agents to update order statuses (delivered, RTO, not attempted, re-attempted) and adjust quantities, ensuring accurate order delivery based on customer requirements.

Full Stack Developer Trainee

OCT 2021 - MAY 2022

Masai School

Remote

Comprehensive training program in full-stack web development.

- Gained hands-on experience in backend and frontend development using Node.js, React, and MongoDB.
- Collaborated on team-based projects and mastered agile methodologies.

EDUCATION

Inderprastha Engineering College, Ghaziabad, U.P

AUG 2017 - JULY 2021

Bachelor of Technology in Electronics and Communication

Cumulative Grade Point Average : 7.29/10
