OBJECTIVE

To leverage my 2.5+ years of expertise in React Native development to design, build, and optimize mobile applications. My goal is to contribute to innovative projects, improve user experiences, and collaborate effectively with talented teams to drive organizational success.

PROFILE SUMMARY

- **2.5+ years of experience** in mobile app development using **React Native, Redux, and Expo**.
- Proficient in **API integrations, state management**, and delivering scalable, high-performing applications for Android and iOS platforms.
- Strong understanding of **JavaScript (ES6), component-based architecture**, and **responsive design principles**.
- Proven leadership skills with experience managing teams and projects to successful completion.
- Committed to writing clean, efficient, and maintainable code while meeting tight deadlines.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), HTML, CSS.

Frameworks & Libraries: React Native, Redux Toolkit, jQuery, Expo.

Styling: SASS, CSS Modules, Styled-Components.

Development Tools: Android Studio, Xcode, Expo CLI, Git, VS Code.

API & Libraries: Axios, React Query, Firebase, OneSignal, Websockets, Social media login (LinkedIn, Google, Facebook).

Platforms: Windows, Linux, Macbook

WORKING EXPERIENCE

Sofrik Services Pvt. Ltd/ React Native Developer

(June 2023 – Present)

Built and maintained cross-platform applications with a focus on performance optimization and user experience. Integrated third-party services, implemented advanced app features, and ensured compatibility across devices.

Actively collaborated with teams to debug, test, and improve applications in iterative sprints.

Webnyxa Technologies Pvt. Ltd., Noida/ React Native Developer

(April 2022 – May 2023)

Developed end-to-end mobile applications with features such as user authentication, push notifications, and payment gateway integration.

Transitioned from web design to mobile app development, mastering **React Native** and **Redux Toolkit**.

Delivered multiple successful apps with a focus on responsive design and seamless performance.

Apex TG India Pvt Ltd/ Front End Developer

(sept 2021 – Feb 2022)

PROJECTS

E-Learning Portal (*Team Leader*)
