Summary

Skilled Software Developer with 4 years of experience specializing in **React Native**, **React.js**, and **JavaScript**. Proven expertise in developing user-centric web and mobile applications with a focus on performance, scalability, and seamless cross-platform functionality.

Work Experience

KrazyTech Business Solutions
June 2023 - Jan 2025
Software Developer
Bengaluru, India

- Developed **React Native applications**, ensuring seamless performance across iOS and Android platforms with optimized cross-platform functionality.
- Delivered **pixel-perfect, responsive UIs** focused on accessibility and superior user experience using **React Native, Redux, and ES6+**.
- **Integrated native APIs** for advanced features and deep system interactions, utilizing tools like **XCode** and **Gradle** for smooth app deployment.
- Diagnosed and resolved complex technical issues, improving app scalability, responsiveness, and overall performance.
- Partnered with product managers, designers, and QA teams to translate business requirements into high-quality, user-centric solutions.

Technical Skills: React Native, React.js, Redux, SQLite, GraphQL, Git, XCode, Gradle.

Accenture India Private Limited
Nov 2020 - May 2023
Software Engineering Analyst
Gurugram, India

- Built **React Native mobile interfaces** for a home and travel insurance app, ensuring **smooth UIs** and consistent user experience across platforms.
- Developed **responsive web interfaces** using **React.js** while maintaining high performance and accessibility.
- Leveraged **native build tools** like Android Studio and XCode to fine-tune app deployment and performance.
- Worked closely with cross-functional teams to deliver scalable, testable solutions aligned with Agile methodologies.

Technical Skills: React Native, React.js, Redux, Git, XCode, Gradle, JavaScript.

Projects

Kasta Anant Rewards

- Built **React Native** app for KASTA influencers and retailers to submit bills and earn rewards, integrating with **Salesforce** and **Quickcilver** for seamless redemption.
- Ensured **native API integration** for smooth performance across devices and optimized state management using **Redux**.
- Implemented **GraphQL** for efficient API communication and enhanced app responsiveness.
- **Skills:** React Native, JavaScript, GraphQL, Redux, Git, Salesforce Integration.

Kriti/Kasta On The Go

- Developed **React Native** apps tailored to sales reps in the oil, agriculture, and building materials domains, offering features like **expense tracking, order placement**, and **real-time reporting**.
- Integrated with **SQLite** for offline data management and enhanced app responsiveness for regions with limited network connectivity.
- **Skills:** React Native, JavaScript, SQLite, Redux, Git, Salesforce Integration.

UK Poms Application

- Built **responsive web and mobile interfaces** for a home/travel insurance app targeting both customers and agents.
- Focused on **deep API integrations**, underwriting rules, and creating interactive UI forms for seamless functionality across platforms.
- **Skills:** JavaScript, React.js, React Native, UI Components, Forms, Underwriting Rules, API Integration.

Skills

FrontEnd Development
● ● ● ● ●
React.js, React Native, Redux, JavaScript

Backend & Database Management
● ● ● ● ○
GraphQL, SQLite, MySQL Server

Programming & Concepts:
● ● ● ● ○
Java, OOPS Concept, Data Structures and Algorithms

Tools & Technologies
● ● ● ● ○
Git, Soap UI, Duck.Creek

Domain & Problem-Solving
● ● ● ● ○
Insurance Knowledge, Debugging, Designing, Problem-solving, Sales-Distribution-Retail

Soft Skills
● ● ● ● ○
Teamwork, Engaging Presentation, Decision-making, Time Management

Education

Krishna Institute of Engineering and Technology
July 2016 - July 2020
Bachelor of Technology (Computer Science)
GPA: 8.21

St. Francis Convent Inter College
2015-2016
XII (PCM with Computers)
Percentage:90.0
