## Professional Summary

Motivated and results-driven React Native developer with 2.7 years of experience in designing, developing, and deploying cross-platform mobile applications. Skilled in integrating APIs, Firebase, and payment gateways. Adept at building efficient, scalable, and user-friendly apps. Seeking to contribute to a dynamic team that values innovation and growth.

## Professional Experience

**Software Developer - Drabito Technologies** (Oct 2022 - Present, Noida, Sector 135)

- Developed and maintained 5+ cross-platform mobile applications using React Native.
- Integrated 10+ REST APIs and third-party services including Firebase and multiple payment gateways.
- Collaborated with UI/UX teams, resulting in a 15% increase in user retention through enhanced mobile experiences.
- Implemented advanced state management and performance optimizations, improving app load time by 20%.

**Software Developer - Quytech Technologies** (May 2022 - Sep 2022, Gurugram)

- Contributed to mobile app development using React Native across 3 client projects under tight deadlines.
- Assisted in integrating backend APIs and debugging cross-platform issues.

## Projects

- **My Fotocart:** A photo-sharing app enabling users to upload, organize, and share photos via event-specific albums. Tech: React Native, Firebase.
- **Inn4Smart Solution App:** Society management app for gate access control, visitor management, and resident notifications. Tech: React Native, Firebase, API Integration.
- **Inn4Smart Service App:** Security guard-focused app for managing visitor entries and real-time tracking. Tech: React Native, Firebase.
- **Tubelight:** BPO calling app leveraging SIP for seamless communication, including features like call transfer and conferencing. Tech: React Native, SIP.
- **Sunsmart:** App for managing solar panel installations with wattage-based filtering and detailed package information. Tech: React Native.

## Education

Bachelor of Technology (B.Tech) in Computer Science - Dr. A.P.J. Abdul Kalam Technical University (2018 - 2022)

## Technical Skills

Languages & Frameworks: React, React Native, JavaScript, Flutter

Platforms: iOS, Android

Tools & Services: Firebase, REST API, SIP

Other: UI Design, Payment Gateway Integration
