WORDPRESS & PHP DEVELOPER

WordPress Developer with 3+ years of functional experience designing and managing business websites using WordPress creation tools. Skilled in front-end and back-end development and implementing themes and plugins. Successfully creates attractive and user-friendly websites to meet client expectations in agile environments.

PROFESSIONAL EXPERIENCE

Paramount Students

Feb 2022 - May 2022

Volunteer WordPress & PHP Developer

Leveraging my expertise in WordPress and PHP, I developed a fully custom website for the company, designing and building bespoke themes and plugins to meet specific functionality needs. I transformed detailed designs from Figma into a seamless, responsive WordPress site, ensuring a user-friendly experience and maintaining high coding standards for performance and scalability.

RevvLab

Mar 2022 - Jan 2024

WordPress & PHP Developer

With expertise in WordPress, Elementor, Elementor Pro, and PHP, I developed custom websites for clients by transforming Figma designs into responsive, high-performing WordPress or Elementor sites. I developed custom themes and plugins, ensuring seamless functionality, and integrated WooCommerce for e-commerce. Additionally, I provided ongoing maintenance, optimized site performance, and enhanced user experience for client satisfaction.

VersatileAnalytix

Feb 2024 - Oct 2024

Full Stack WordPress Developer

As a Full Stack WordPress Developer, I developed and customized WordPress themes and plugins, integrated WooCommerce for eCommerce sites, and optimized website performance for speed and SEO. I also built and maintained back-end systems using PHP and MySQL, handled API integrations, and ensured security compliance. Collaborating with teams, I delivered high-quality websites and provided ongoing technical support.

PROJECTS

All Nations Interpeting

Dec 2023 - Jan 2024

Full Stack Wordpress Web Developer

Designed intuitive, conversion-focused user interfaces and responsive, mobile-first websites to enhance accessibility and traffic. Maintained clear client communication throughout development, with expertise in implementing WordPress sites, themes, and plugins, as well as converting Figma designs into Elementor/Elementor Pro.
