Summary

Highly skilled Software Engineer proficient in JavaScript, ReactJS, Node.js, MongoDB, Java, and Data Structures Algorithms. Experienced in building efficient, user-centric applications and collaborating with cross-functional teams. Strong understanding of software development principles, database management, and operating systems. Fast learner with a passion for innovation and continuous improvement.

Work Experience

Software Engineer   **07/2023 - 04/2025**

Avisoft — **Mohali, India**

- Built and optimized scalable web applications using React.js, Next.js, Node.js, and GraphQL
- Developed RESTful and GraphQL APIs, integrated MongoDB/MySQL, and deployed solutions on AWS
- Ensured security, performance, and seamless functionality across client projects

Projects

myDoctor App — *Node.js, Express, React JS, Material UI, MySQL*

- Developed a comprehensive online doctor consultation platform connecting patients with healthcare providers
- Implemented role-based authentication and dynamic sidebar functionality using React and Material UI
- Built robust backend services with Node.js and Express, integrating third-party libraries for enhanced features

HomeBazaar — *React JS, Redux, React Query, Material UI Kit*

- Developed a real estate platform facilitating property buying and selling
- Implemented features including property exploration, tour scheduling, and shortlisting functionality
- Created interfaces for developers and owners to list properties with various price ranges

CodeVerse — *Node.js, MongoDB, Express, EJS, SASS, Passport*

- Built a social media platform for coding enthusiasts with comprehensive user interaction features
- Implemented real-time chat functionality, post management, and friend system
- Developed user authentication with password reset and profile management capabilities

Education

Bachelor of Technology	**2018-2021**
Uttarakhand Technical University	**76%**
Diploma	**2015-2018**
Uttarakhand Board of Technical Education	**71%**
HSC/Intermediate	**2014-2015**
Jawahar Navodaya Vidyalaya, Tehri Garhwal	**84%**

Technical Skills

Languages	JavaScript, TypeScript, Java, HTML, CSS
Frontend	React.js, Next.js, Redux Toolkit, Material UI, Bootstrap
Backend	Node.js, Express.js
Databases	MongoDB, MySQL
Tools & Others	Git, Data Structures and Algorithms

Certifications

- **React Certification** – Coding Ninjas
- **Backend (Node.js) Certification** – Coding Ninjas
