

Vishal Vivare

FULL STACK WEB DEVELOPER

Contact - +91 8435305496 | Address - Indore, IN | Email - vsvivare@gmail.com | LinkedIn - @vishalvivare

- Over three years of hands-on experience in MERN stack development with a strong focus on Node.js. Expertise in working with both SQL and NoSQL databases.
- Extensive experience managing and delivering various projects for internal teams and global clients, specializing in scalable and high-performance web applications.
- Proficient in the full product development lifecycle, specializing in backend development, system architecture, and end-to-end delivery.

PROFESSIONAL EXPERIENCE

Gammastack

Jan 2024 - Present

Solution Engineer

- Developed casino and sports betting applications using Node.js, Express.js, Sequelize ORM, Docker, React.js, Redux, and PostgreSQL.
- Architected scalable backend services, ensuring efficient database communication and high performance.
- Worked on Betcoin.pro (large user base) and Finpicks (stock betting platform), utilizing Redis BullMQ, Docker, and AWS services like S3, CloudWatch, and EC2.
- Optimized existing applications to improve performance and scalability while collaborating with cross-functional teams.
- Gained expertise in backend engineering, integrating modern cloud services and message queuing systems.

Imenso Software

Nov 2022 - Jan 2024

Software Engineer

- Develop full-stack applications using MongoDB, Express.js, React, and Node.js.
- Engineer robust backend services and design intuitive, user-friendly interfaces.
- Implement scalable, high-performance web applications to enhance user experience.
- Worked on internal HRMS and health domain projects, ensuring seamless integration and efficiency.
- Collaborate with cross-functional teams to deliver comprehensive and cohesive solutions.
- Optimize application responsiveness and performance using advanced techniques.

Freelancer

Jul 2021 - Oct 2022

Full stack development MERN stack

- Gained hands-on experience with basic web technologies by building static websites for local vendors using HTML, CSS, and UI libraries.
- Worked on real-time projects involving React.js and Node.js, contributing to existing applications.
- Developed frontend features and REST APIs, integrating with a MongoDB database and understanding its data flow.
- Assessed and implemented test cases, contributed to API creation, and handled third-party integrations.

EDUCATION & CERTIFICATIONS

- **Bachelor of Arts** (July 2016 - Oct 2019)
Barkatullah University, Bhopal
- **Makhanlal Chaturvedi National University, Bhopal** (July 2017 - July 2018)
Diploma in Computer Application

SKILLS

- **Languages :**
HTML, CSS, JavaScript, TypeScript
- **Technologies and Tools :**
Node.js, React.js, Express.js, Sequelize ORM, JIRA, Slack, Trello. Microservices, REST API, Docker, Redis, BullMQ, Linux, Ubuntu, Git
- **Databases :**
MongoDB, MySQL, PostgreSQL

INTERESTS

- Reading
- Travelling
- Learning new technologies
