**Project Manager**  
**Skepper Creatives**

**June 2021– June 2023**

- Oversaw project scope and budgets, maintaining 100% budget adherence while accelerating product launches by 15%.
- Led Agile ceremonies and improved team collaboration for faster delivery.

**Project Coordinator**  
**RBSA Advisors LLP**

**April 2019– June 2021**

- Developed digital and offline marketing strategies aligned with client goals.
- Acted as a liaison between technical and creative teams for smooth operations.

**Associate Project Manager**  
**Rioconn Interactive**

**August 2018– April 2019**

- Designed and executed multi-channel marketing strategies, increasing brand engagement by 40% and generating a 25% rise in inbound leads.
- Developed personalized marketing campaigns, improving customer acquisition by 15% and campaign conversion rates by 30%.

**Education**

**Master of Design**  
Banasthali University

**2016 – 2018**

I specialize in user-centered design, business strategy, and digital product management. Focused on integrating design thinking with business operations to drive innovation and improve product-market fit. Developed expertise in branding, UX research, and market analysis, leading to successful implementation of customer-centric design strategies.

**Bachelors of Design**  
Banasthali University

**2012 – 2016**

Gained foundational knowledge in design principles, visual communication, and creative problem-solving. Worked on real-world projects in graphic design, product design, and digital media, enhancing user experience and engagement strategies. Developed a keen understanding of user psychology and market trends, helping brands create impactful customer experiences.

**Personal Interests**

- Enjoys reading books on productivity, teamwork, and leadership.
- Interested in exploring new trends in design and user experience.
- Curious about emerging technologies and their impact on work efficiency, including AI-driven project management tools and automation in Agile workflows.
- Engages in professional communities and enjoys mentoring junior professionals.
