Objective

Aspiring React Native Developer with a strong foundation in JavaScript, ReactJS, and React Native. Passionate about building scalable, intuitive, and user-friendly mobile apps, especially in the news and media sector. Seeking a dynamic team environment to contribute meaningfully while advancing my skills.

Technical Skills

- **Languages:** JavaScript (ES6+), TypeScript
- **Frameworks & Libraries:** React Native, ReactJS, Redux, Tailwind CSS, Styled-Components
- **Mobile Development:** Cross-platform app development using React Native
- **Tools & Technologies:** Git, GitHub, Firebase, REST APIs
- **UI/UX:** Responsive Design, Flexbox, Theming, Animations
- **Storage:** AsyncStorage, Local Storage
- **Navigation:** React Navigation
- **Version Control:** Git, GitHub

Projects

KitchenWhiz – Recipe App
- Implemented smooth navigation using React Navigation
- Clean UI and responsive design
- [**Github / Apk**]

E-commerce–Premium Shopping App (In Progress)
- A sophisticated e-commerce mobile app built with React Native and Firebase.
- Features: drag-and-drop cart, persistent wishlist, offline support, dark/light mode
- Focused on smooth UI/UX animations for better engagement

Task Manager App
- Simple and effective task-tracking app with local data storage.
- Enhanced UI using custom animations and responsive layouts
- [**Github / Apk**]

Smart Calculator
- A modern calculator app with theme switching.
- Implemented styled-components for day/night mode
- [**Github / Apk**]

Sign-In/Sign-Up UI
- Secure authentication screens with form validation.
- Built with React Hook Form and custom validation logic
- [**Github / Apk**]

Simple Weather App
- Real-time weather updates based on user location.
- Integrated OpenWeather API
- Features: unit toggle, location-based search, minimal UI
- [**Apk**]

Education

- **Bachelor of Computer Applications (BCA)**
  - Maa Gayatri Degree College, Naini Prayagraj – 2024

Self-Learning

- Learned through online courses, official documentation, and practical experimentation with React Native, Redux, and APIs.

Languages

- **Hindi:** Native
- **English:** Proficient

Personal Skills

- **Positive Attitude**
- **Self-Motivation**
