The Elefant - Toy Library 🗷

The EleFant is an online toy library that offers a cost-effective and sustainable substitute for buying toys. From our diverse collection of toys, you can subscribe and order toys on rent for your child's creative learning and growth. If your little one gets bored easily and you are tired of buying new toys, then don't worry; EleFant can ease this hassle. You can pick innovative toys from our collection, rent toys online, and swap them once your child is outgrown or bored. It's not just an app; it's a thoughtful, sustainable, and enjoyable approach to ensure your children get the right toys to play with while saving both space and money.
