About Me

Dynamic Fullstack Web Developer driving impactful projects. Led cross-functional teams to enhance user experience, optimize functionality, and achieve measurable improvements in project efficiency and operational performance through decisive technology integration and strategic decision-making.

Skills

- JavaScript • React.js • Next.js • TypeScript • Node.js • Express.js • MongoDB • Docker • C++ • AWS
- Data Structures & Algorithms

Work Experience

Pure Cordy Life Private Limited

Feb 2024 - Present

Software/Website Developer

Noida, UP

- Led development of **20+ web projects**, including **e-commerce, real estate, and corporate websites** (e.g., [mobilenmobile.in](#), [arshmeetsolutions.com](#), [coffeemuginfotech.com](#), [shishafacility.in](#), [millenius.in](#), [orecktechnologies.in](#), [keafintech.in](#)).
- Managed **full-stack development, DevOps tasks (domain, hosting, email)**, and **SEO optimization** for high-performance delivery.
- Oversaw client communication, project planning, and delivery, increasing **operational efficiency by 30%**.
- Recruited, trained, and led a development team, ensuring timely execution through **agile workflows**.
- Played a key role in project deals and stakeholder coordination as both **developer** and **team lead**.

Tekstudy.in – Educational Platform

Jan 2025 – May 2025

Freelance Web Developer

- Built a full-stack educational platform using **Next.js**, managing both **frontend** and **backend** architecture for a seamless user experience.
- Integrated **Sanity CMS, MongoDB, Clerk**, and **Razorpay** to enable dynamic content, secure authentication, scalable data storage, and smooth payments.
- Developed **custom APIs, user dashboards**, and optimized content delivery for performance, SEO, and personalized learning.
- Deployed and maintained the platform with a focus on speed, scalability, and long-term reliability, increasing **user engagement** by **50%**.

ASDIR Dashboard (Admin Panel)

May 2023 – Sept 2023

Freelance Web Developer

- Designed and built a custom **admin dashboard** for ASDIR, enabling automated data extraction through web scraping from LinkedIn.
- Developed a clean, **responsive UI** with secure data handling and a scalable architecture to support efficient internal operations.

Internship

Busa Tech Services

Oct 2023 - Feb 2024

Software Developer Intern

WFH, Delhi

- Redesigned the company website using React.js and Tailwind CSS, significantly improving UI/UX and overall visual appeal.
- Boosted **user engagement** by **40%** and increased **site traffic** by **25%** within three months through strategic design enhancements.
- Deployed the website on **AWS**, ensuring high availability, scalability, and optimal performance for end users.
