WORK EXPERIENCE

Remote | July 2022 – Present Project Engineer / Wipro

03/2022 - Present

Developed multiple frontend projects using HTML, CSS, JavaScript, and React.js.

Built responsive and user-friendly web interfaces for personal and practice projects.

Worked on real-world simulations like Amazon clone, Instagram UI, Portfolio websites, etc.

- Integrated APIs, handled state management with **React hooks**, and focused on clean UI/UX.

ACHIEVEMENTS

- Offered a role as Project Engineer at Wipro during my final year (2022) through off campus placement.
